

A Pathway to Payday!

If you are 16-24 and not yet found your way into a job you love, give us a call.

Through our flexible Traineeship programme, we will -

- Help you build a winning CV.
- Upskill your qualifications.
- Increase your confidence.
- Match you to a work placement that suits your skills, interests and career plans.
- Give you the opportunity to spend 2 weeks in Spain on a work placement with all costs covered.
- Most importantly, help you progress into your next training or employment position.

*I feel I am getting on well in sessions.
My confidence is growing with Maths. I don't feel anxious coming into the Traineeship.*

I have enjoyed making new friends since starting the Traineeship.

The Traineeship has helped to advise me about future career choices.

I feel that the course is going very well and I am being treated like an adult.

The Traineeship is going well and it has helped me with my confidence and doing more things.
